

**Open Speaker
Meetings Prior to the
General Election on
4 July 2024**

These candidates are all standing for the Lothian East seat in the UK General Election on 4 July 2024. *Each of them wants to see an independent Scotland. But they have very different ideas as to how that can come about and about policies for Scotland once independence is achieved.*

Yes Dunbar is delighted that all three have agreed to come and speak – so you can meet them and ask questions.
